Forestry Administration
No. 2068 TWG-F&E

Phnom Penh, 29 August 2005

**Director of Forestry Administration
Presents to**

His Excellency Minister of Agriculture, Forestry and Fisheries

Subject: Request for an intervention to Ministry of National Defense to provide List of Land for Military Development Zone which located in the Forest and Protected Areas.

As mentioned in the above subject, I would like to inform you that the Joint Monitoring Indicators (JMI) has been agreed between the RGC and Donor Community in the 7th CG Meeting held in December 2004 that determined 4 indicators to monitor the activities related to forestry (please refer the attached documents), and it has been implemented by the Forestry Administration, except the indicator #4 that involved with land for military development zone which located in the forest and protected areas. In this relation, the TWG-F&E Meeting was suggested to request Ministry of National Defense to provide the development plans that involved with forestry, and at the meantime, the meeting had suggested FA to request MAFF to take an intervention to the Ministry of National Defense for the provision of the list of land for military development zones that involved with forest and protected areas.

In this regard, the Forestry Administration would like to request MAFF to take an intervention of this request to the Ministry of National Defense to provide the list of land for military development zones that located in the forest and protected areas to the TWG-F&E in order to comply with the indicator's requirement.

Therefore, Excellency, please consider and take the intervention of this matter to the Ministry of National Defense at your convenience.

Ty Sokhun
