Forestry Administration
No. 2084 TWG-F&E

Phnom Penh, 31 August 2005

**Director of Forestry Administration
Presents to**

His Excellency Minister of Agriculture, Forestry and Fisheries

Subject: Request for the provision of List of Land for Economic Concession and request for an intervention to Ministry of Industry, Mines and Energy (MIME) to provide the List of Land for Mine Exploitation Zones that located in the Forest and Protected Areas.

As mentioned in the above subject, I would like to inform you that the Joint Monitoring Indicators (JMI) has been agreed between the RGC and Donor Community in the 7th CG Meeting held in December 2004 that determined 4 indicators to monitor the activities related to forestry (please refer the attached documents), and it has been implemented by the Forestry Administration, except the indicator #4 that involved with mines exploitation and economic concession land located in the forest and protected areas. In this relation, the TWG-F&E Meeting on 29 August 2005 was suggested to request MAFF to provide the list of economic concession land, and through MAFF, Forestry Administration would like to request MIME to provide the list of mine exploitation zones that located in the forest and protected areas.

In this regard, the Forestry Administration would like to request MAFF to provide the list of economic concession land, and kindly take the intervention of this request to MIME for providing the list of mine exploitation zones that located in the forest and protected areas to TWG-F&E in order to comply with the indicator's requirement.

Therefore, Excellency, please consider and take the intervention of this matter to MIME at your convenience.

Ty Sokhun
